

COMMITTEE'S ELECTION DAY EXPENDITURES REPORT

(filed by committees that support or oppose one or more candidates and/or propositions and that are not candidate committees)

This report is required to be filed by all committees participating in an election, **only if election day expenditures were made**. The report is due not later than 10 days after the primary election, and, again, not later than 10 days after the general election if the committee participates in the general election. This form is used to report payments by the political committee (1) for advertising that is broadcast or published on election day, (2) for the services of election day workers, and (3) to organizations for election day activities in support of the committee. **NOTE:** This report is required *in addition* to all other required reports. Therefore, the expenditures reported on this report must be reported in subsequent "Committee's Reports" for this election.
